DEVELOPMENT DEPARTMENT 29 JUL 1955 Government of Mysore

I write to state that the Tourist Reception Information Officer, Government of India, Bangalore, had requested this office to send her on loan a few articles showing the art and craft of Mysore State Government Industries for being displayed in the Show Window of the Tourist Office. She has stated that the articles can be changed from time to time either fortnightly or monthly. A copy of her letter is enclosed herewith for reference.

2. The Officer in charge of the Mysore Arts and Crafts Depot was consulted in the matter. He reports that there is a Show Window in the Tourist Information Office where some of the artistic articles of Mysore Industries can be kept for display and advertisement and that articles worth Rs. 500/- might at a time, be sent to the Tourist Information Office and may be changed once in a fortnight or 20 days.

You may be aware of the Government of India Tourist Information Office located at 16-A, Mahatma Gandhi Road, on the street floor of the Deccan Herald Building.

We are anxious to use some of the arts and crafts of the Mysore State Government Industries in our show window which is fairly large and attracts the attention of passers by.

In order to make the widdow a more attractive focal point, we would request your permission to borrow a few items for display from the Mysore State Arts and Crafts Emporium. These articles can be changed from time to time, either fortnightly or monthly.

With your co-operation I feel we will both mutually benefit, and I hope you will give this matter early and favourable consideration.
